Days

(raymond d davies)

Thank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe me

I bless the light
I bless the light that lights on you believe me
And though you're gone
You're with me every single day believe me

Days I'll remember all my life
Days when you can't see wrong from right
You took my life
But then I knew that very soon you'd leave me
But it's all right
Now I'm not frightened of this world believe me

I wish today could be tomorrow
The night is long
It just brings sorrow let it wait

Thank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe me

Days I'll remember all my life
Days when you can't see wrong from right
You took my life
But then I knew that very soon you'd leave me
But it's all right
Now I'm not frightened of this world believe me

Days, thank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe me

I bless the light
I bless the light that lights on you believe me
And though you're gone
You're with me every single day believe me
